John Buzza, DDS

MyDentalChannel Team Huddle:

"Through humor, you can soften some of the worst blows that life delivers. And once you find laughter, no matter how painful your situation might be, you can survive it."

Bill Cosby

In practice:

I want my patients to feel great about themselves when they are in our presence. Nobody wants to be in a stuffy, dull, and grumpy environment. Keep it light and have fun with your team and patients. The dividends are huge!

Katherine Eitel — The Lioness Principle (Guest Expert Interview)

"Leadership has nothing to do with owning a business, the number of people you manage, how old you are, how long you've been in the business or how much you make. It has everything to do with your state of mind and the skill sets you master."
